### Minutes - HBO Panel Meeting 26 June 2024

**Present:** Trystan Thomas (Chair), Bethan Holding, Emlyn Bayliss, Heather Jones (Clerk)

**Apologies:** Llinos Pritchard

There was a discussion regarding the content and rules regarding applying for the grant. It was initially decided that the grant would need to be advertised, and to do this, a poster, advertising leaflets (flyers), advertising in the Eco, and also using social media would be necessary. The Clerk is to make contact with Stephen Edwards for the graphics.

£37,375 has been received and it has been decided that £375 will be used for administering the grant.

I hope to get the poster out as soon as possible, but the application period runs from the 1st of September until the 1st of November.

If applicants need more information, they will need to contact Trystan Thomas. It was considered that if a new cultural venture wanted to apply, it would be taken into account, but they would need to ensure that the venture lasts for at least 5 years.

Confirmation of the poster will be made through virtual meetings or email. There is no need for a face-to-face meeting until applications are in.
